

# Hiawatha Water Park

*June - August, 12:00 noon - 7:45 pm*

Summertime cool pool fun is stepping it UP with the Hiawatha Water Park. The Hiawatha Water Park / Pool's unique design includes toddler activity, two pool areas boasting an olympic size with eight swimming lanes, one-meter diving boards, a 30-foot body slide, a playground area with many tunnels, platforms, water jets, and a raindrop fountain. The new complex incorporates additional green space, more umbrellas, lounge chairs, and patron lockers. Celebration and company sponsored activity can be planned.
